PRE- SHOW DINNER

Treat yourself with a lovely dinner before the show to experience a memorable day in Tuscany.

You can choose between a dinner inside the town of Lajatico, the birthplace of Andrea Bocelli, or a dinner at a local winery in the countryside near Lajatico.

We selected **two typical and charming restaurants right in the center of the town**. This solution is ideal for those who have executive tickets whose entrance to the Teatro is far from the town. A delicious Tuscan dinner will be served with one cocktail and one glass of a good local wine included. Seats are limited!

The wineries we selected produce excellent wines and on that special evening a typical Tuscan dinner is served with the tasting of 3 of their best wines. From the winery you'll be able to enjoy a fantastic view over the vineyards.

If you choose the winery solution and you own a non-executive ticket, you'll have the possibility to visit the town of Lajatico after the dinner at the winery, when you are transferred to Lajatico, before the show starts.

It's an early dinner, as it starts at around 5 pm. The show is meant to start at 8:30 pm and we want to make sure you'll be at the gate not later than 7:30 pm to avoid queues and to enjoy the sunset, the view and the pre-show atmosphere.

Option A) LAJATICO CENTER – dinner in the historical center of Lajatico at a typical restaurant

SOLD OUT

Option B) WINERY – dinner at a local winery in the countryside with wine tasting and a rustic meal

- The program of the event at Teatro del Silenzio with Andrea Bocelli is not a solo-concert.

- the program for 2022 edition hasn't been announced yet, but here some words by Andrea Bocelli as per the organizers' announcement:

The concert scheduled for July 28, 2022, is set to be an exceptional event, not to mention a joyous experience that will envelope the audience in an embrace made up of sound and visuals, presenting them with a parallel score of color and fantastic stage design and a message of hope and positivity, as traditionally occurs in Lajatico.

"I am celebrating a new day that we can spend together, next summer. I am celebrating a project that has marked more than half of my career and that once again is stepping up to the challenge by setting a date and striving to live up to expectations and, if possible, exceed them".

These are the words of Maestro Andrea Bocelli, who also emphasized how "after the uncertainty that marked a difficult two years globally, culture and art must return to their rightful place and play the vital role they deserve. It is my strong desire – to which I will fully commit myself so that this dream of mine may become a reality – that the next Teatro del Silenzio shall be a sumptuous, buoyant and memorable metaphor of an energetic, global new beginning. The striking expression of the awareness that art (and the music that is the voice of art, and the life that art celebrates) always wins out".

- The program could be entirely OPERA, performed in a language that you are not familiar with.
- In the event that the program does not meet your taste, you will not be entitled to change, replace or get refund for the package you purchased.
