PACKAGES with ACCOMMODATION & SHOW ROUND TRANSFER By Arianna & Friends

The packages of this file DO NOT include the tickets to the show and are for those who have already purchased tickets. If you need show tickets too, please look at the other offers we have on our page.

Please find here below a selection of our **favorite hotels** for a pleasant stay in Tuscany.

All our packages include **accommodation for at least 3 nights**, a **welcome dinner** at your arrival, a **pre-show aperitif** or a **pre-show dinner at a local winery** before leaving the hotel to reach Lajatico,

Also, they mostly include a shared **transfer to Lajatico** and back that can be **upgraded to private** and in some cases to semiprivate. **For Executive and Gold Vip tickets holders, only private transfers are available** for the best experience.

We have two accommodation sections: **“IN TOWN”** is dedicated to the hotels located in one of the most beautiful big and small towns of Tuscany and not too far from Lajatico, such as Pisa, Volterra, San Gimignano, Colle Val D’Elsa and also Florence. **“IN THE COUNTRYSIDE”** section includes accommodations in the beautiful countryside in Tuscany, with pool, not too far from Lajatico, near towns such as San Miniato, Vinci, San Gimignano, Terricciola, Colle Val D’Elsa, Ponsacco. We have options with 3-star, 4-star and 5-star accommodation.

In some packages the hotel organizes a **pre-show aperitif** starting at 3:30/4 pm before leaving to Lajatico. In other packages instead, after the pick-up you’ll be brought to a winery for a wine and food experience before the concert. It’s our **pre-show dinner** starting at 4:30/5 pm. Please remember that the wineries are close to Lajatico and they are not restaurants. So please do not expect a typical dinner of a restaurant or a classical wine tour (no time for it, as the priority that day is the concert). It’s a light and refreshing meal matching the wines produced at the wineries. There is the possibility to visit the farm and purchase the wines.

All hotels of our packages have rooms with air conditioning and wi-fi.

A quick overview of the accommodation places we selected to create the packages:

Package number	Type of accommodation	Location	Town or countryside	Distance from Lajatico	Stars	Minimum stay
1	Elegant Hotel	Florence	Town	80 km	4 stars plus	3 nights
2	Central Hotel	Florence	Town	80 km	4 stars	3 nights

7	Deluxe Hotel	Pisa	town	50 km	4 stars plus	3 nights
8	Historic Residence with Spa	Colle V. Elsa San Gimignano	Town (+pool)	45 km	4 stars	3 nights

We add a “plus” to the official star rating of some of the hotels, when we are aware that the quality of the service and the amenities of the room refer to a higher rating.

WHAT TO EXPECT AND RECOMMENDATIONS

What is Teatro del Silenzio? It's a one-of-a-kind location in the countryside near Lajatico, where Maestro Andrea Bocelli has been performing every summer since 2006. It takes place in Lajatico, little charming hilltop village of Tuscany and birthplace of the famous singer. Andrea chose this location for this event that is different every year, due to his deep attachment to his land, roots and people.

Lajatico has got less than 1,000 inhabitants, and for that special event 12,000 people are expected. Please be aware of this fact to understand the logistic work behind this big event.

Teatro del Silenzio, translated in English "Theater of Silence", is a natural space among the hills overlooking the town of Volterra. It's about 1 km from the town Lajatico and reachable only through 3 little roads in the fields, each corresponding to a specific gate and admission ticket category.

The view from there is stunning, but being in the middle of nowhere means also that there are no infrastructures like in a stadium or a standard music hall. There can be dirt roads, long walks, queue at the gates, chill at night. For sure inside the arena, once you pass the gates, everything is pretty, magical and organized for the special occasion.

There are food and drink stalls. Toilet facilities are also present inside.

We will not depart Lajatico until we have confirmed that everyone is safely aboard their vehicles and ready to return to the hotel. For group transfers, please note that we cannot accommodate delays caused by individuals who have become lost or disoriented due to excessive alcohol consumption or similar issues. This behavior disrupts the experience for other travelers and the work of the bus driver and guide. A fine will be applied.

If you want to add to your Bocelli package also some private tours with us and activities such as cooking classes, wine and food tasting, biking excursions sightseeing, please book them far in advance, within the end of April. Our company is a small one and we have a limited selection of guides. Once they are booked, we stop the selling.

If you need to add transfer to/from airport, train stations or other towns, please book them as soon as possible, within the beginning of May. Drivers are not sufficient for the number of requests during that extra-ordinary week. If you wait last minute you risk to either not find availability, or pay a fortune.

Please download the app WhatsApp on your phone. This is how we will communicate with you after the reservation and the way we will send you the confirmation voucher and other essential pieces of information.

Please have always your phone charged, especially after the concert in case you have difficulties in finding us. Large and heavy power-banks /phone chargers are not allowed inside the show venue.

We strongly suggest you to **plan the check-out date from your hotel not on the day after the concert, but 2 days after the concert**, because in case of bad weather the concert is postponed to the following day.

You're free to select your **check-in and check-out dates**, adhering to the minimum stay requirements for each package. Additional nights can be added. Please note that some packages may have restricted check-in dates, as indicated in the pricing chart.

Important Information for Guests with Mobility or Health Concerns

Please be aware that the Teatro del Silenzio is set in a beautiful but challenging countryside environment, with uneven terrain, unpaved paths, and several uphill and downhill sections. **The event space is not equipped with dedicated support for individuals with mobility issues, and the company that organizes the event does not provide special assistance to help guests reach their seats from the parking areas.**

For your safety and comfort, we strongly advise against using shared or private transportation options that drop off at the General Admission parking area, which is approximately 1 km from the venue entrance. The walk to and from this point involves significant elevation changes and can be particularly difficult, especially after the event, when fatigue sets in.

In previous years, guests in pain who were not able to walk back from the concert venue to the bus/van, were only able to reach the parking area via ambulances and emergency vehicles, but only after all other attendees had left, resulting in **very long delays and discomfort**. This affected not only the ones needing assistance but also other passengers on the same transfer, who experienced significant waiting times for the return journey. This is not how our agency pictures the end of this experience that should be enjoyable for everybody.

If you have difficulty walking or suffer from respiratory conditions, shared transfers and private transfers with drop off at the general admission parking area, are not recommended. The walk from the drop-off point is long, uphill, and physically demanding. In the past, this has led to **serious breathing difficulties** for some guests. If you are traveling with a wheelchair, please note that shared buses are not suitable. There is a dedicated area for wheelchair users at the venue, but tickets for this section must be purchased directly from the event organizers, not through us.

Your health and safety are our top priority, and we want to ensure you enjoy this experience in the most secure and comfortable way possible.

To avoid these risks, we highly recommend one of the following options:

- Private transportation with us, only combined with Executive or VIP Gold tickets, which include access to parking closer to the venue
- Private transportation with us, combined with Special Assistance tickets offered by the event organizers (subject to availability)

Please consider this carefully when booking your package. We're here to help you make the best and safest choice for your needs.

Please note: As a tour operator, Arianna & Friends is not responsible for any discomfort, health issues, or dissatisfaction experienced due to walking to or from the venue. We are providing the above information in advance so you can make an informed and safe choice.

Buyer being informed -VERY IMPORTANT- please READ & SIGN this page

Before proceeding with the purchase of any offer in object in the present booking form, please confirm that you are fully aware that:

- **Arianna & Friends is a local tour operator and it is not part of the show organization**, neither is responsible for the decisions of the production on how the event is organized and on when the gates will open. The tour operator is also not responsible for the contents of the event and the outcome of the performance.
 - The tour operator Arianna & Friends arranges logistic services before and after the performance only. **No representative of Arianna & Friends is allowed inside the arena** and responsible of any event inside the venue.
 - Arianna & Friends arranges transfer services by vans, minibuses, and buses to and from the assigned parking areas, where guests will meet members of staff to give assistance and information.
 - **The program of the event at Teatro del Silenzio with Andrea Bocelli is not a solo-concert.** Andrea Bocelli is the main artist who performs together with many others. Arianna & Friends is not responsible for how long Andrea Bocelli will perform on stage. The program could be entirely OPERA, performed in a language that you are not familiar with. In the event that the program does not meet your taste, you will not be entitled to change, replace or get refund for the tickets or the package you purchased.
 - **If you have tickets in Poltornissima, Prima Poltrona, Seconda Poltrona, Poltroncina & Tribuna** sections, your destination is the general admission parking area. From the general admission parking area to the main access of the show venue guests will need to walk 15-20 minutes up to the gates and the road is up and down and there can be some congestion at the gate that delays the entrance.
 - **If you have Executive or Vip Gold tickets**, the executive/Vip Gold parking area is 5-minute walk to the gate, and the road is easier to walk, but there are a few steps up.
 - **For Guests with Mobility or Health Concerns:** The Teatro del Silenzio is located in a natural countryside setting with uneven paths and steep sections. There is no official mobility assistance provided by the organizers to reach the gate and your seats. If you have mobility or health issues, we strongly advise against using shared transfers to the General Admission parking, which is about 1 km from the entrance and involves a challenging walk. Return transfers can be significantly delayed, and the route may be unsafe for those with limited mobility.
- Please note: As a tour operator, we are not responsible for any discomfort, health issues, or dissatisfaction experienced due to walking to or from the venue. We are providing the above information in advance so you can make an informed and safe choice.
- **PRIVATE TRANSFER:** For 2 people the transfer is either by a sedan or a van, for 3-8 people by a van of different sizes depending on how large your party is, for parties of 9 people and more the transfer is by minibus/bus.
 - **SHARED TRANSFER:** this is guaranteed from most of hotels/accommodations present in this offer and from some main towns in Tuscany. The bus will be allowed to pick-up and drop off passengers only in certain collection points. This is decided by police regulations, and Arianna & Friends, as tour operator, cannot change it.
 - For group transfers, **please note that we cannot accommodate delays caused by individuals who have become lost or disoriented due to excessive alcohol consumption or similar issues.** This behavior disrupts the experience for other travelers and the work of the bus driver and guide. A fine will be applied.
 - **No glass or metal bottles** are allowed inside the arena. If you see someone that is able to bring them, it's because at the security gate they were not checked in the right way. You can bring your own food, but there is no facility for a classical picnic.
 - **No dress code is required.** We suggest to bring comfortable shoes and something to cover your shoulders at night.
 - We usually manage 800-900 customers for Teatro del Silenzio each night. So, for the show week, we must kindly ask you to **limit telephone calls to just essential and urgent matters.** For the rest, you can WhatsApp us.
 - If you plan to book extra services such as airport transfer, tours, cooking classes, etc, we suggest you to contact us within 2-3 months before the show, because we cannot guarantee the availability if you contact us later.
 - **The tour operator is in no way responsible** for urban noises that may occur during your stay near the selected hotel.
 - **In case you cancel** the trip, our penalty as a cancellation fee will apply according to the cancellation policy of this travel contract. We strongly recommend to issue a travel insurance in your country before leaving.

I confirm being aware of the information presented above and I have NO mobility issues
