COMMUNITY TOURISM IN RURAL TUSCANY: FEEL, LEARN & BUILD MEMORIES

Dear Friends,

we want to help you understand who we are, how we operate and most, importantly, why to choose us! Let's introduce ourselves: **Arianna, Consuelo, Luca, Moira, Anna, Davide, Alex, Cristiano, Diletta and Yvonne.**

We consider our company to be very different from other tour operators. One main difference is that **when you book with us, you will meet us in person and once you are in Tuscany, you will become our Tuscan friends.** Here tourists are not just tourists, they are friends.

Indeed, our "**Friends**" are both our collaborators and our customers, who **are treated like good friends** when they come and visit us. We are proud to show you our **native land and its beauty** and we are **happy to design bespoke itineraries** for your Tuscan stay.

We operate in an area called "**Terre di Pisa**" that is **very representative of the Tuscan countryside.** It is a **small area of Tuscany where you will find a wide variety of interesting and typical Tuscan tours and activities to do in a matter of a few kms.** And this fact is unique! There are no other areas of Tuscany that can offer so much to see and do in such a small area.

This enables us to **support local farms** offering wine and food and cultural day tours, designed for visitors who want to **visit the real Tuscany, feel like home,** spend a day as a family, visit **authentic hilltop villages, castles and private villas,** meet excellent **wine/olive oil/cheese /truffle/pasta/saffron producers** and above all, have access to destinations that are **out of the mainstream mass-tourism industry** and stay away from overtourism.

Our tours and guided visits to local farms, producers and to historical towns are led only by the internal staff of Arianna & Friends and some chosen collaborators, who are also our friends. With us you are 100% guaranteed not to have just "any" guides **but to have the best guides, who are knowledgeable, passionate, enthusiastic & fun.** We are convinced that **it's the people that make the difference in your tour experience.** Wouldn't you agree?

We organize **authentic cooking classes,** and the collaborators we work with have become our friend. They work with **passion and devotion** and are ready to share their knowledge with you. We want to offer you a **very personable and authentic experience** and this is why we have selected what we consider to be the most suitable destinations to make you **feel at home** yet experience and **absorb all aspects of our culture.**

We also organize **private chef services,** private transportation, small civil and symbolic weddings, trekking and e-bike tours.

We are renowned for arranging packages with **tickets** to **Teatro del Silenzio** for the annual event by **Andrea Bocelli** in Lajatico and also for offering **vespa tours** including the visit to the Piaggio museum that is very close to us.

Our aim is that **at the end of a day with us you feel part of a community, learn the various aspects of our culture and become our friends,** whom you can meet any time you return to our beautiful region. Let us help you build **memories that you will have for a lifetime!**

As one of our guests said: "With Arianna & Friends, you arrive as a friend and leave as family!"
