This private tour starts from our office in La Rosa, but the bikes can be delivered to your home or another place by request and for an extra charge.

07. HORSE BACK RIDING WITH CARLOTTA IN LARI

A lovely excursion surrounded by **nature, beautiful horses, gentle ponies, farm animals, and patient instructors**. The property is a family-run farm near the small village of Lari and is ideal for families with young children. Beginners are very welcome.

Carlotta and Anna will welcome you and introduce you to the horses, as well as to the other farm animals and pets such as goats, hens, cats, and more.

The itinerary will be arranged according to the participants' level. Each riding experience starts with a 20–30 minute introduction at the ranch, followed by the ride. This can be **an easy ride through the gentle Tuscan hills**, also suitable for beginners, or a more **adventurous experience** for advanced riders.

For young children and guests who are not ready to ride independently, the activity can be replaced with a **training session inside the riding center**, offering a more basic and relaxed approach. In this case, participants will have the opportunity to pet the horses, brush them, groom them, clean them, and feed them. They may also try sitting on the horse for a very easy walk within the enclosed arena.

Following that, the guide takes you to **visit the farm, where olive oil, wine and kiwi-based jams are produced.** You'll visit the mill and get an explanation of how olive oil is made. **You'll try different types of olive oil combined with rice, typical soup, and a variety of crostini.** For those who won't be driving afterward, wine from the farm will be served.
