ANDREA BOCELLI's
TEATRO DEL SILENZIO 2027 - Lajatico - Tuscany

The date of the show is Thursday 22 July 2027 IN-TOWN OFFERS

PACKAGES with ACCOMMODATION & SHOW TICKET
By Arianna & Friends

Please find here below a selection of our **favorite hotels** for a pleasant stay in Tuscany.
All our packages include **accommodation for at least 3 nights**, a **welcome dinner** at your arrival, a **pre-show aperitif** or a **pre-show dinner at a local winery** before leaving the hotel to reach Lajatico, and the **tickets to the show** in the categories: Vip Gold, Executive, Poltronissima Prima Poltrona and Seconda Poltrona.

Also, they mostly include a shared **transfer to Lajatico** and back that can be **upgraded to private** and in some cases to semiprivate. **For Executive and Gold Vip tickets holders, only private transfers are available** for the best experience.

We have two accommodation sections: **"IN TOWN"** is dedicated to the hotels located in one of the most beautiful big and small towns of Tuscany and not too far from Lajatico, such as Pisa, Volterra, San Gimignano, Colle Val D'Elsa and also Florence. **"IN THE COUNTRYSIDE"** section includes accommodations in the beautiful countryside in Tuscany, with pool, not too far from Lajatico, near towns such as San Miniato, Vinci, San Gimignano, Terricciola, Colle Val D'Elsa, Ponsacco. We have options with 3-star, 4-star and 5-star accommodation.

In some packages the hotel organizes a **pre-show aperitif** starting at 3:30/4 pm before leaving to Lajatico. In other packages instead, after the pick-up you'll be brought to a winery for a wine and food experience before the concert. It's our **pre-show dinner** starting at 4:30/5 pm. Please remember that the wineries are close to Lajatico and they are not restaurants. So please do not expect a typical dinner of a restaurant or a classical wine tour (no time for it, as the priority that day is the concert). It's a light and refreshing meal matching the wines produced at the wineries. There is the possibility to visit the farm and purchase the wines.

WHAT TO EXPECT AND RECOMMENDATIONS

What is Teatro del Silenzio? It's a one-of-a-kind location in the countryside near Lajatico, where Maestro Andrea Bocelli has been performing every summer since 2006. It takes place in Lajatico, little charming hilltop village of Tuscany and birthplace of the famous singer. Andrea chose this location for this event that is different every year, due to his deep attachment to his land, roots and people.

Lajatico has got less than 1,000 inhabitants, and for that special event 12,000 people are expected. Please be aware of this fact to understand the logistic work behind this big event.
Teatro del Silenzio, translated in English "Theater of Silence", is a natural space among the hills overlooking the town of Volterra. It's about 1 km from the town Lajatico and reachable only through 3 little roads in the fields, each corresponding to a specific gate and admission ticket category.
The view from there is stunning, but being in the middle of nowhere means also that there are no infrastructures like in a stadium or a standard music hall. There can be dirt roads, long walks, queue at the gates, chill at night. For sure inside the arena, once you pass the gates, everything is pretty, magical and organized for the special occasion.
There are food and drink stalls. Toilet facilities are also present inside.

We will not depart Lajatico until we have confirmed that everyone is safely aboard their vehicles and ready to return to the hotel. For group transfers, please note that we cannot accommodate delays caused by individuals who have become lost or disoriented due to excessive alcohol consumption or similar issues. This behavior disrupts the experience for other travelers and the work of the bus driver and guide. A fine will be applied.

If you want to add to your Bocelli package also some private tours with us and activities such as cooking classes, wine and food tasting, biking excursions sightseeing, please book them far in advance, within the end of April. Our company is a small one and we have a limited selection of guides. Once they are booked, we stop the selling.

If you need to add transfer to/from airport, train stations or other towns, please book them as soon as possible, within the beginning of May. Drivers are not sufficient for the number of requests during that extra-ordinary week. If you wait last minute you risk to either not find availability, or pay a fortune.

Please download the app WhatsApp on your phone. This is how we will communicate with you after the reservation and the way we will send you the confirmation voucher, e-tickets and other essential pieces of information.

Please have always your phone charged, especially after the concert in case you have difficulties in finding us. Large and heavy power-banks /phone chargers are not allowed inside the show venue.

We strongly suggest you to **plan the check-out date from your hotel not on the day after the concert, but 2 days after the concert**, because in case of bad weather the concert is postponed to the following day.

Packages with Executive tickets and Vip Gold tickets already includes private transfer. For the other ticket categories, the packages include shared transfer by bus or minibus, but you can always add the private transfer option at the moment of booking.

You're free to select your **check-in and check-out dates**, adhering to the minimum stay requirements for each package. Additional nights can be added. Please note that some packages may have restricted check-in dates, as indicated in the pricing chart.

Important Information for Guests with Mobility or Health Concerns

Please be aware that the Teatro del Silenzio is set in a beautiful but challenging countryside environment, with uneven terrain, unpaved paths, and several uphill and downhill sections**. The event space is not equipped with dedicated support for individuals with mobility issues, and the company that organizes the event does not provide special assistance to help guests reach their seats from the parking areas.**
For your safety and comfort, we strongly advise against using shared or private transportation options that drop off at the General Admission parking area, which is approximately 1 km from the venue entrance. The walk to and from this point involves significant elevation changes and can be particularly difficult, especially after the event, when fatigue sets in.
In previous years, guests in pain who were not able to walk back from the concert venue to the bus/van, were only able to reach the parking area via ambulances and emergency vehicles, but only after all other attendees had left, resulting **in very long delays and discomfort.** This affected not only the ones needing assistance but also other passengers on the same transfer, who experienced significant waiting times for the return journey. This is not how our agency pictures the end of this experience that should be enjoyable for everybody.

If you have difficulty walking or suffer from respiratory conditions, shared transfers and private transfers with drop off at the general admission parking area, are not recommended.

The walk from the drop-off point is long, uphill, and physically demanding. In the past, this has led to **serious breathing difficulties** for some guests.
If you are traveling with a wheelchair, please note that shared buses are not suitable. There is a dedicated area for wheelchair users at the venue, but tickets for this section must be purchased directly from the event organizers, not through us.
Your health and safety are our top priority, and we want to ensure you enjoy this experience in the most secure and comfortable way possible.
To avoid these risks, we highly recommend one of the following options:

- Private transportation with us, only combined with Executive or VIP Gold tickets, which include access to parking closer to the venue
- Private transportation with us, combined with Special Assistance tickets offered by the event organizers (subject to availability)

Please consider this carefully when booking your package. We're here to help you make the best and safest choice for your needs.

Please note: As a tour operator, Arianna & Friends is not responsible for any discomfort, health issues, or dissatisfaction experienced due to walking to or from the venue. We are providing the above information in advance so you can make an informed and safe choice.

The details written below are part of the present contract, and from the moment you book with us, you agree to the following terms & conditions

TO KNOW BEFORE YOU GO

- Lajatico is a small village with **less than 1,000 inhabitants**.
- During the concert, about **12,000 guests** arrive every night.
- Please be patient: traffic, queues and waiting times are normal.

The Venue

- Teatro del Silenzio ("Theater of Silence") is an open-air venue in the Tuscan hills.
- It is located about 1 km from Lajatico.
- The venue can only be reached through three small country roads, each serving a different entrance and ticket category.
- The location is beautiful but very natural.
- Please expect:
  - dirt roads, uneven ground, walking to the entrance
  - queues at security, cooler temperatures at night

Show start
The show is supposed to start at 8:30 pm and finish before midnight.

Arianna & Friends
Arianna & Friends is a local tour operator that sells holiday packages including tickets to the show (that we book directly from the organizers), accommodation, transportation to/from the concert venue, dinners, activities, tours and gives assistance to the passengers at the parking areas on the date of the show, before and after the show. Arianna & Friends staff will not be inside the concert arena.

Please note:

- We are not part of the concert organization.
- We are not responsible for:
  - opening times of the gates, security procedures, seating arrangements
  - organization inside the venue, the concert or the performance itself
  - organization of the seats. The organizers might decide to change the layout of the seats, without informing us.
  - any discomfort, health issues, or dissatisfaction experienced due to walking to or from the venue. We are providing a complete information about the road conditions in advance so you can make an informed and safe choice.
  - urban noises that may occur during your stay near the selected hotel.

Accessibility
For guests with regular tickets entering through the General Admission gates, the venue does not provide dedicated assistance for guests with mobility or respiratory difficulties. No transportation or special support to reach the seats is provided.
Disabled parking and special access passes must be arranged directly with the concert organizers. In advance. These guests will have a different access procedure.
Please read the section about mobility or health concerns present in the previous pages of this contract. This event is not suitable for people with mobility or respiratory issues.

If you have tickets in Poltornissima, Prima Poltrona, Seconda Poltrona, Poltroncina & Tribuna sections, your destination is the general admission parking area. From the general admission parking area to the main access of the show venue guests will need to walk 15-20 minutes up to the gates and the road might be challenging as it is up and down. There can be some congestion at the gate that delays the entrance.

If you have Executive or Vip Gold Tickets, the executive/Vip Gold parking area is 5-minute walk to the gate, and the road is easier to walk, but there are a few steps up.

Your Guide On Board
If you have booked a bus transfer with a guide, please listen carefully to the guide's instructions during the journey. The most important information concerns the return after the concert.
Your guide will explain:

- where the meeting point is after the show;
- to remember your **bus number** – your guide will be holding a sign with that number;
- once everyone has returned to the meeting point, you will walk back to the bus together.

Please follow these instructions carefully to ensure a safe and smooth departure for everyone.

If you are **not travelling with a guide**, you can find the **Arianna & Friends** staff wearing **red T-shirts** in the parking areas. We will be happy to answer your questions and provide assistance before and after the concert.

Your Welcome Bag
One complimentary Welcome Bag is provided for every two guests (not one per person).
Inside each Welcome Bag you will find:
1 flashlight, 1 paper fan, 2 bracelets
If you need an extra flashlight, fan or bracelet, please ask your guide. They may have some spare items available. How to get your welcome bags:

A) If you are travelling **by bus with a guide**, the Welcome Bags will be distributed:
   - on board by your guide;
   - or at the winery, if you have booked the Winery Package.

B) if you are travelling **by bus with no guide**, the Weclome Bags will be given to you upon arrival at the football field (campo sportivo) from our staff

C) If you are travelling **with a private driver**, the Welcome Bags will be handed to you:
   - upon arrival at the football field (campo sportivo) if your destination is the General Admission area;
   - at the Executive Parking Area, if you have VIP/Executive tickets. Please look for the Arianna & Friends staff wearing red T-shirts;
   - or at the winery, if you have booked the Winery Package.

Access to the gates
The concert staff (not our agency) will:

- perform security checks at the first gate. No to: metal, glass, sharp objects, big umbrellas, big phone chargers, big bags.
- check your ticket with a QR code reader at the second gate
- direct you to your seats once inside

Toilets
Portable toilets are available inside the venue. Queues might be long.

Food & Drinks
You may bring your own food. Please note:

- **Glass or Metal bottles are not allowed.**
- Small plastic water bottles are allowed, but security often removes the cap or may ask you to throw the bottle away. Security checks may vary depending on the staff at the gate.

Food and drink stalls are available inside the venue. Queues might be long.

If you have booked a transfer to the General Admission area (not VIP or Executive) without the Winery Package, you will arrive early enough to enjoy some food or drinks in the village of Lajatico, which is about a 6–7 minute walk from the security gate. We suggest to go back to the gate at 19.30 (7:30 pm).

With Tribuna Non-Numerata tickets (not numbered) we suggest you to go straight to the gate.

HOW IT WORKS AFTER THE SHOW

The van/bus you are travelling to Lajatico is the same for the return; you can leave your things there, but the vehicle might be unattended.

Traffic after the concert is **very busy**, as all vehicles leave the venue using the same country roads. There will also be large crowds walking back to the parking areas.
Please return the same way you entered.
Please be patient and start walking back as soon as the concert ends.
We will leave Lajatico only after we have confirmed that all guests are safely back on board their vehicle.

If you entered through the General Admission gates
Leaving the venue can be confusing.
After the walk uphill do not follow the crowd to the right. If you turn right, you will arrive at the public shuttle bus area, not at the parking area for your organized transfer.
Instead, at this crossroads, https://maps.app.goo.gl/egG1msE86ebFdaby9
continue straight down the road towards “campo sportivo (football pitch) /Private buses & drivers.
There you will find:

- your guide, at the agreed meeting point;
- or your private driver at the football pitch, if you have booked a private transfer.

Please do not take the public shuttle buses.

If you entered through the Executive gate
Please leave the venue using the same way you entered.
You will find your driver or vehicle by following the instructions given by our staff when you arrived.
Please make sure you speak with our staff upon arrival, so we can explain exactly where your driver will be waiting after the concert.

Group Transfers
For guests travelling by bus or shared transfer:

- Please return to your vehicle as instructed by your guide.
- We cannot delay the departure because someone is missing due to excessive alcohol consumption or similar situations.
- This causes delays for all other guests and affects the work of the driver and guide.
- A penalty fee may be applied in these cases.

LAST INFO TO SHARE

If you plan to book **extra services** such as airport transfer, tours, cooking classes, etc, we suggest you to contact us within 2-3 months before the show, because we cannot guarantee the availability if you contact us later.

We strongly suggest you to plan the **check-out date** from your hotel not on the day after the concert, but at least 2 days after the concert, because **in case of bad weather** the concert is postponed to the following day

Show tickets will be forwarded to your WhatsApp number at the latest 10 days before the show and they will have a QR code and Bar code. Without them you will be not able to access the show.

For shared transfers by large bus, your **guide's name** and telephone number will be shared via WhatsApp at least 7 days before the show.

For private transfers or shared minibus transfers, your **driver's name** and phone number will be shared on the day of the show or the day before.

We usually manage 800-900 customers for Teatro del Silenzio each night. So, for the show week, we must kindly ask you to **limit telephone calls to just essential and urgent matters**. For the rest, you can WhatsApp us.

In case you cancel the trip, our penalty as a cancellation fee will apply according to the cancellation policy of this travel contract. We strongly recommend to issue a travel insurance in your country before leaving.
