PRE- SHOW DINNER & WINE TASTING

Treat yourself with a **lovely country dinner before the show** to experience a memorable day in Tuscany. Book the private transfer and pre-show dinner package at a local winery.

The wineries we selected produce excellent wines and on that special evening an early Tuscan dinner is served with the **tasting of 4 of their delicious wines**. From the winery you'll be able to enjoy a **fantastic view over the vineyards** and the Tuscan hills.

It's a casual & dynamic event with wine tasting and matching food, perfect to socialize with the other fans of Andrea Bocelli. Please remember that the wineries are close to Lajatico and they are not restaurants.

So please don't expect a typical restaurant dinner or a traditional wine tour (there won't be time for it, as the priority that day is the concert).

It's **a light and refreshing meal matching the wines produced at the winery.** A brief visit to the winery is included, for those who are interested with possibility to purchase wine also for shipping.

WHAT TO EXPECT AND RECOMMENDATIONS

What is Teatro del Silenzio? It's a one-of-a-kind location in the countryside near Lajatico, where Maestro Andrea Bocelli has been performing every summer since 2006. It takes place in Lajatico, little charming hilltop village of Tuscany and birthplace of the famous singer. Andrea chose this location for this event that is different every year, due to his deep attachment to his land, roots and people.

Lajatico has got less than 1,000 inhabitants, and for that special event 12,000 people are expected. Please be aware of this fact to understand the logistic work behind this big event.

Teatro del Silenzio, translated in English "Theater of Silence", is a natural space among the hills overlooking the town of Volterra. It's about 1 km from the town Lajatico and reachable only through 3 little roads in the fields, each corresponding to a specific gate and admission ticket category.

The view from there is stunning, but being in the middle of nowhere means also that there are no infrastructures like in a stadium or a standard music hall. There can be dirt roads, long walks, queue at the gates, chill at night. For sure inside the arena, once you pass the gates, everything is pretty, magical and organized for the special occasion. **There and food and drink stalls. Toilet facilities are also present** inside.

If you have mobility issues and you are not able to walk up and down to reach your seat, this event is not recommended.

If you want to add to your Bocelli package also some private tours with us and activities such as cooking classes, wine and food tasting, biking excursions sightseeing, please book them far in advance, within the end of April. Our company is a small one and we have a limited selection of guides. Once they are booked, we stop the selling.

If you need to add transfer to/from airport, train stations or other towns, please book them as soon as possible, within the beginning of May. Drivers are not sufficient for the number of requests during that extra-ordinary week. If you wait last minute you risk to either not find availability, or pay a fortune.

Please download the app WhatsApp on your phone. This is how we will communicate with you after the reservation and the way we will send you the confirmation voucher, e-tickets and other essential pieces of information.

Please have always your phone charged, especially after the concert in case you have difficulties in finding us. Large and heavy power-banks /phone chargers are not allowed inside the show venue.

Important Information for Guests with Mobility or Health Concerns

Please be aware that the Teatro del Silenzio is set in a beautiful but challenging countryside environment, with uneven terrain, unpaved paths, and several uphill and downhill sections**. The event space is not equipped with dedicated support for individuals with mobility issues, and the company that organizes the event does not provide special assistance to help guests reach their seats from the parking areas.**

For your safety and comfort, we strongly advise against using shared or private transportation options that drop off at the General Admission parking area, which is approximately 1 km from the venue entrance. The walk to and from this point involves significant elevation changes and can be particularly difficult, especially after the event, when fatigue sets in.

In previous years, guests in pain who were not able to walk back from the concert venue to the bus/van, were only able to reach the parking area via ambulances and emergency vehicles, but only after all other attendees had left, resulting **in very long delays and discomfort.** This affected not only the ones needing assistance but also other passengers on the same transfer, who experienced significant waiting times for the return journey. This is not how our agency pictures the end of this experience that should be enjoyable for everybody.

If you have difficulty walking or suffer from respiratory conditions, shared transfers and private transfers with drop off at the general admission parking area, are not recommended.

The walk from the drop-off point is long, uphill, and physically demanding. In the past, this has led to **serious breathing difficulties** for some guests.
If you are traveling with a wheelchair, please note that shared buses are not suitable. There is a dedicated area for wheelchair users at the venue, but tickets for this section must be purchased directly from the event organizers, not through us.
Your health and safety are our top priority, and we want to ensure you enjoy this experience in the most secure and comfortable way possible.
To avoid these risks, we highly recommend one of the following options:

- Private transportation with us, only combined with Executive or VIP Gold tickets, which include access to parking closer to the venue
- Private transportation with us, combined with Special Assistance tickets offered by the event organizers (subject to availability)

Please consider this carefully when booking your package. We're here to help you make the best and safest choice for your needs.

Please note: As a tour operator, Arianna & Friends is not responsible for any discomfort, health issues, or dissatisfaction experienced due to walking to or from the venue. We are providing the above information in advance so you can make an informed and safe choice.

Food and drink stalls are available inside the venue. Queues might be long.

If you have booked a transfer to the General Admission area (not VIP or Executive) without the Winery Package, you will arrive early enough to enjoy some food or drinks in the village of Lajatico, which is about a 6–7 minute walk from the security gate. We suggest to go back to the gate at 19.30 (7:30 pm).

With Tribuna Non-Numerata tickets (not numbered) we suggest you to go straight to the gate.

HOW IT WORKS AFTER THE SHOW

The van you are travelling to Lajatico is the same for the return; you can leave your things there, but the vehicle might be unattended.

Traffic after the concert is **very busy**, as all vehicles leave the venue using the same country roads. There will also be large crowds walking back to the parking areas.
Please return the same way you entered.
Please be patient and start walking back as soon as the concert ends.
We will leave Lajatico only after we have confirmed that all guests are safely back on board their vehicle.

If you entered through the General Admission gates
Leaving the venue can be confusing.
After the walk uphill do not follow the crowd to the right. If you turn right, you will arrive at the public shuttle bus area, not at the parking area for your organized transfer.
Instead, at this crossroads, https://maps.app.goo.gl/egG1msE86ebFdaby9
continue straight down the road towards “campo sportivo (football pitch) /Private buses & drivers.
There you will find: your private driver at the football pitch, if you have booked a private transfer.
Please do not take the public shuttle buses.

If you entered through the Executive gate
Please leave the venue using the same way you entered.
You will find your driver or vehicle by following the instructions given by our staff when you arrived.
Please make sure you speak with our staff upon arrival, so we can explain exactly where your driver will be waiting after the concert.
